Maulana Karenga - Africana Studies

The defining moment in the Black Studies Movement was the 1979 publication of Maulana Karenga's Introduction to Black Studies. W When this book was published, the field had its first attempt to draw the boundaries of a new area of study broad enough for the multiplicity of programs that emerged from struggle.

The Pursuit of Africology - Black Studies

Professor Karenga shows how the dominant intellectual thought and social analysis models in the United States have developed to both suggest and maintain institutionally the inferiority of blacks in this country. European-dominated thought helps to explain the nature of racism in that it presupposes black cultural inferiority.
