Unbelievable Stuff They Didn't Teach You About Ancient Egypt **Linguistic Ties Between Ancient Egyptian**

This book provides a unique perspective on the linguistic relationships between the Ancient Egyptian and Bantu languages of East/Central/Southern Africa. It will be of interest to readers of Egyptology, linguists, students, and the wider public who wish to find out more about the structure of the Ancient Egyptian language and how it connects with other languages, particularly with Bantu languages.

Linguistic Ties between Ancient Egyptian and Bantu ...

After many years of detailed research a linguistic link has been established between the Ancient Egyptian and Bantu languages of Africa. The link between the languages has been widely recognised in Africa, but may be little known throughout the rest of the world. This study examines lexical terms which have a common base between the languages.

Linguistic Ties Between Ancient Egyptian and Bantu ...

At the very least, the methods have unjustifiably excluded from consideration contemporary Black Africa as the home of the descendants of the ancient Egyptians. Consequently, Egyptologists have characterized ancient Egyptian as an Afro-Asiatic language and failed to recognize its substantial Kiswahili-Bantu substrate, a failure that has resulted in many improperly transcribed hieroglyphs.
